Dear Michael

**Re: 2015 Receivables Management Association of Canada (RMA) Conference Chelsea Hotel,  
Toronto, Ontario November 18 & 19 2015**

Hi Michael, I am sending this letter to you in my capacity as Conference Chairman for the RMA conferences. I trust that you do not mind that it is unsolicited.

I thought that I would pass on my accolades regarding your presentation this year. Your topic: ***Outlook on M&A's in North America*** was well prepared and your presentation on Prezi was an unexpected surprise. Only a few companies are using this product and it added a real lift to an already informative session.

The information was well prepared, informative, and insightful. I looked around the room a few times to see people genuinely interested in your presentation and many were taking notes. As the coordinator of speakers it is always refreshing to find a presenter with your skills and understanding of a crowd.

I wanted to personally thank you for taking the time out of your busy schedule to travel to Toronto for our conference and also for the many hours you took to put your presentation together for our audience.

This was your second time at our conference and we hope to have you back again in the future.

Barry Kryba  
Conference Chair
